Mike Dillon and Ed Drisco of the Santa Fe road were in the city yesterday.

E. R. Logan, a prominent merchant of Henrietta, called on the GAZETTE yesterday.

Nat. Q. Henderson of the Georgetown Record was in the city yesterday and paid the GAZETTE a pleasant visit.

W. F. Lake and family returned yesterday morning from a visit North, enjoying good health and in fine spirits.

Capt. George Hare, conductor on the T. & P. R. R., departed on the Missouri Pacific last night to visit his home in Detroit.

A. A. Talmadge, J. M. Eddy, G. O. Clinton and O. H. Earle, went west over the T. & P. on a special train yesterday, looking after the interests of the road.

Captain W. Cellogg, one of the T. & P.'s most accommodating conductors was in the city yesterday. He reports travel between this point and Texarkana as being very heavy.

Col. S. H. Mahry, of Mahry, Crawford & Glasgow, arrived in the Fort on the Missouri Pacific this morning from St. Louis, having had a most pleasant visit, but glad to get back to Texas.

Mr. M. H. Shanklin, of Blanco Canyon, Crosby county, passed through town yesterday on his way to his old home in Bell county, having sold out his large cattle interests for a cool hundred thousand.

Wm. Bird who has been connected with the Loving Publishing company for some time left this morning for Cleburne where he will take a position with the Santa Fe railroad. The GAZETTE wishes him much success in his new field of labor.

## Railway Matters.

Colonel A. A. Talmadge, of the Missouri Pacific system, was in the city yesterday morning and inspected the shops and offices here. He also made a visit to the hospital and took a careful look at the work in progress there, and the manner in which the sick were being cared for.

Colonel J. M. Eddy, superintendent of the Texas & Pacific road, was also in town and went west by special train, over the Rio Grande division, accompanied by George O. Clinton, formerly of that division and Mr. J. C. Barber, his successor. Mr. Barber has been assistant superintendent of the car department of the Missouri Pacific road, with headquarters at Sedalia, Mo. He has served in every capacity, working his way up from the lowest rung of the ladder. The mantle of Geo. O. Clinton has fallen upon shoulders worthy of the same.

It is reported, but not officially, that J. F. Whedon will be made train master of the Rio Grande division.

We must move by September 1st. We are getting desperate. The remnant of our spring and summer stock must be disposed of between now and moving time. Bargains are as plentiful now as birds are in spring. Call and see what our removal sale amounts to. You all know what we carry.

Removal sale! Removal sale! Removal sale! WASHER & AUGUST, 58 Houston street.

Have you noticed our new building? Wouldn't it be wrong to carry anything but fresh goods into such a handsome store? Don't you think we are sensible in inaugurating and successfully conducting a removal sale? You say you do. Thanks for your encouragement. If you will call around we will show you that we appreciate marks of favor. We are outfitters for all mankind. WASHER & AUGUST, 58 Houston street.

Prepare for the cyclone.

A Good Thing.

The large stock of Wenar & Samuels was yesterday sold at auction to the Chase Trading Company by Sheriff Maddox for \$15,525. The stock was appraised by Sheriff Maddox at \$25,200 and it is estimated that it cost Wenar & Samuels about \$30,000.

We learn from Mr. George H. Chase president of the trading company that the stock will at once be put on sale at the store of the company, and that prices will be made so low that it will be the largest and most popular bankrupt sale ever made in this state. Fort Worth is the town for business. Anything offered for sale here for cash finds a buyer if the price is satisfactory.

The City National Bank.

Lawrence, Kan., Aug. 13.—Bank Examiner Day, and a committee of depositors are still at work investigating the affair of the City National bank. The books are found to be correct, and enough is known to justify the statement that depositors will be fully paid, though it may be a month before payment begins. Rumors of uneasiness at the People's National bank are declared unfounded and excitement has died out.

## AHEAD OF ALL COMPETITION,

Not only in PRICES, but in STYLES. Our extended experience in Northwest Texas enables us to please both the wants and purses of the people. The past week has witnessed the arrival of part of our

## CASSIMERES ANDS

for Fall Wear. The rush to see them has surpassed anything since our residence in Fort Worth. The PRICES and PATTERNS were so attractive that orders sufficient to keep our tailors busy for several weeks were taken. We will receive another large invoice this week, and everybody who intends having a NOBBY FALL SUIT made should place his order now, and not wait until the great rush has commenced, when it will be impossible to deliver for weeks and weeks. We guarantee our prices to compete with any Eastern Tailors, and we will give you better work and first-class trimmings, which we can confidently say you do not obtain from the so-called tailors who visit you from the North. What risk do you run when, by our guarantee in FIT and FINISH, you need not take the garments if they do not please you?
